Memory verse

“God said 'This is the sign of the covenant I am making between me and you and every living creature with you, a covenant for all generations to come’”.

Genesis 9:12

Arty/crafty ideas:

1. Use the rainbow clipart or draw your own rainbow.

Choose your favourite promise of God from this list which you can read in the Bible, and write it on the rainbow.

Turn it into a badge, or stick it where you and your family will see it often as a reminder of God’s love and faithfulness.

Matthew 28:19-20: I am with you always

John 3:16: we are saved

John 14: 27 or Philippians 4:6-7: I give you my peace

Jeremiah 29:11: God has a plan for each one of us – a plan for good.

John 1:12-13: we are children of God

Proverbs 3:5-6: God will guide our lives

Matthew 11:28: I will give you rest

2. Make an ark out of some recycled packaging in your home, or something like this paper plate.

Fill it with animals and don't forget God's promise rainbow!

You could also write one of God's promises on the ark.
