## Superstars 🌟

Today we are looking at fear and how we don't need to be scared of anything because our God is a great big God.

Here is the story of Joshua 🏰

<https://www.youtube.com/watch?v=rugGz1480uc>

That story is amazing, isn't it?? Joshua trusted God when he told him to bring down the walls of Jericho by blowing horns?! Crazy idea but it worked because he trusted God and obeyed him.

Make a horn by rolling a piece of paper and hum into it marching round the 'walls of Jericho' (you could build these with cushions and pillows) to the following song and get your family to join in if you can! 🎶

## Prayer 🙏

Thank you, God that we can trust you and nothing is too big for you.

Amen

## Trailblazers

What things are you scared of?

Take a moment to write these down or draw them on a piece of paper. It could be the dark, spiders, clowns, anything really.

Watch the following clip:

It is amazing to know that we can rely on God in absolutely anything and everything in life.

Read Romans 8:31-32. Romans 8:35-39.

- Who is always on our side?
- Why should having God with us help us to be confident?
- What things does the writer say can't get in the way of God's love for us?
- So can anything get in the way of God?
- Why should knowing this help us when we feel afraid of things?

Nothing can separate us from God's love so we have no reason to be scared of anything. Take your piece of paper and screw it up or rip it up and throw it in the bin while saying the following memory verse:

**"Whenever I am afraid I will trust in You" Psalm 56:3**

**Prayer** 

Father God,

Thank you that we can fully rely on you as you understand us, you care for us and you never leave us. Thank you!

Dance and sing to this song if you feel the urge, get the whole family to join in!
