Here is a video of Jesus in the Temple when he was lost. It is really interesting to watch how young he was yet so confident. Today is Mothering Sunday so we are going to think about how much Jesus' mum loved him and concerned she was when she didn't know where he was:

You can look this passage up in the Bible: **Luke 2:41-50**

Were you surprised when Jesus spoke to his mum like that?

How do you think Mary felt when she thought she'd lost him?

Have you ever experienced something similar, ask your mum how she felt if you have or how she would feel if she ever couldn't find you?
