

Welcome to our prayer diary for this week. I hope that we settle into a routine over the next few weeks we will be able to take some time to pray for yourself and for others.

**'Be still and Know that I am God' (Psalm 46:10)**

**HTH**

Let's continue to give thanks for:

- for the **community response** as people look to care for each other.
- for the **peace** that we can find in God as we are still before Him.
- The many **things that we enjoy** yet sometimes we take for granted
- The **lovely sunshine** we've had after a long wet winter
- the very **positive response** from Cheshire East to our pre-planning application for the new building.

Let's continue to pray for:

- for the **office team** as we try to navigate a constantly changing situation and lead and guide everyone as best as we can.
- the **Building for the Future team** as we continue to move things forward – we are currently preparing the planning and faculty applications for the new building.

**Our Mission Partners**

- Let's pray for Colin and Bron in Novosibirsk.
- Pray for them as they assist their local community. Corona virus has impacted their community. There are quite a number of people in their congregation who are at high risk due to their age and other health conditions.
- For Emily and Jonathan as they continue their schooling. Emily was due to travel back to the UK to take her GCSE's this summer but this will no longer be possible.
- For Colin and Bron as they continue their work from home.

**Prayer for those affected by Coronavirus**

Let's pray for:

- our leaders, the scientists who are working towards a vaccine and our amazing NHS staff.
- Evergreens, those who live in Harry Lawson Court, those members of our congregation who live in care homes, our over 70s, anyone with an underlying health condition, vulnerable people including pregnant women.
- those who are ill and those self-isolating.
- those who are particularly anxious.
- those who are worried about their work and financial situations.
- our community response to love and serve our neighbours.
- all those who are home schooling children.
