

## Revelation Sunday plans

In Revelation we've been looking at Generosity, community and sharing, today we're thinking about how change can transform us and those around us.

Here are a few activities that you can do together as you think about change.

### The Kittens of Change 🐱🐱🐱

'Despicable Me' follows the story of Gru a supervillain determined to be the top supervillain. But in an attempt to use 3 orphan girls to help steal a shrink ray, his life takes some unexpected turns. In this clip Gru sits down to tell the 3 girls a story about 3 kittens and how they influence someone else to change:

#### **Question:**

Do you think it's hard for people to change? Why?

### Transformed 🗑️🚚

**2 Corinthians 5v17** says this: "Anyone who belongs to Christ is a new person. The past is forgotten, and everything is new".

We believe that getting to know Jesus changes our lives!

Here are a few examples of things that have been transformed into something positive:

-The Tree of Life- [https://en.wikipedia.org/wiki/Tree\\_of\\_Life\\_\(Kester\)](https://en.wikipedia.org/wiki/Tree_of_Life_(Kester))

-Dakine packs and bags- <https://www.dakine.com/?clr=BND>

-Oxfam's range of recycled products- [https://www.oxfam.org.uk/shop/search-results?q=recycled;show\\_all=products](https://www.oxfam.org.uk/shop/search-results?q=recycled;show_all=products)

#### **Things to think about:**

We should all try our best to look after the environment, is there anything you could reuse or recycle that would otherwise get thrown away? If you can, share the example with [Jared@hthmacc.com](mailto:Jared@hthmacc.com) he'd love to see what you come up with!

How does being a Christian change your life? **I am Second** is a YouTube channel where people tell the stories of how God has changed their lives, you could pick one to listen to here: <https://www.youtube.com/user/iamsecondHQ>

### Time to reflect 🤔💬

Is there anything that you think you should change in your life?

You could take a few moments now to ask God to help you or to thank him for a good change that you've already seen!

If you wanted to listen to some music while you do this, check out this song by John Mark McMillan- Everything New
