# Why Does Tearfund Need to Work in Mozambique?

The effects of increasingly adverse weather over the last two years has been devastating on Mozambique

This is a short video of the effects the storms have had over the last two years

<https://vimeo.com/617739568>

Just as the country rebuilds itself, it has been hit by yet another storm -

- 10,000 homes destroyed
- Dozens of hospitals and schools destroyed
- Power lines downed
- 45,000 people will need humanitarian aid

# What else is a problem in Mozambique?

- Terrorist attacks
  - Corruption in leadership
  - Women are denied access to education
  - Women forced into marriage at a young age
  - Problems with malnutrition and levels of HIV and TB
-

# How we as a church have supported Tearfund's work in Mozambique

- ▶ This year Tearfund needs to raise £46,512 for this project.
- ▶ HTH has committed to give £5,000 a year for each year of the project. £3,000 came from our mission giving. We, as a congregation, needed to raise the remaining £2,000.
- ▶ What we have raised and how?
  - ▶ Winter Quiz and Tearfund Big Quiz
  - ▶ Craft sale of items made of African material

**We are now within £100 of our target for April 21 – March 22.  
Thank you to all who have donated.**

# Please pray for Mozambique

- ▶ Pray for peace across Mozambique, that the armed conflicts and terrorist attacks will end.
- ▶ Pray for those living in flood-prone areas, ask that they will be protected and able to recover quickly when disaster strikes.
- ▶ Pray that God will raise up good leaders in local and national government, who will promote justice for all.
- ▶ Pray for peace and reconciliation in Cabo Delgado and for neighbouring Nampula and Niassa, where hundreds of thousands of people have fled to overcrowded camps.
- ▶ Pray for their protection and for Tearfund's country team and partners as they provide food and trauma healing.
