A note on Gift Aid

Gift Aid really makes a difference.

If you pay income tax, HTH can claim Gift Aid, which will increase the value of your donation by another 25%. Please tick **one** of the options below:

- HTH will be able to claim Gift Aid on **all** my donations
- HTH will be able to claim Gift Aid on **part** of my donation (if so, please tell us what we can claim)
- HTH will **not** be able to claim Gift Aid on my donation

If you pay higher or additional rate income tax, you can also claim some of this back in your tax return, reducing the effective cost to you of your donation.
